

Trentham Parish Church
Sharing the Love of Jesus

The Church in the Gardens

There has been a place of Christian worship on the site of the current parish church since the 7th century. The norman pillars of a previous church were incorporated into the present building.

*However we are far more than a historic building, we are an open, **welcoming and active church in and for the community.***

Why not visit us and explore what this means.

open doors

Between Easter and the end of September, you can visit the church on **Tuesdays, Wednesdays & Thursdays from 2 to 4 PM.**
